

# Co-branded Customer Webinar

Drive quality leads and referrals to your sales team and position your brand as an expert in your field with a fully managed and moderated live webinar.

## About the service

The co-branded Customer Webinar is a live – and recorded – webinar featuring your business and/or solution to customers or partners.

This service delivers a fully managed web conference with the latest Microsoft technologies combined with a reliable, time-tested production process.

## Partner benefits

- Partnership with a Microsoft team for delivery. Working with a Microsoft team that manages hundreds of internal and external Microsoft events will ensure a well-supported and successful delivery.
- Latest Microsoft technologies combined with reliable, time-tested production process.
- Local or worldwide webinar anytime of day or night.
- Post-event analytics to track results and assess value.
- Dedicated event producer.

## Key Results

- Reach potential customers through live interaction and communication.

## Pricing

- \$1,800 USD
