

License Tables for Competency Partners

Refer to the Microsoft Partner Network programs guide for important policy details regarding license use rights and limitations about each software product or online service. Your organization must comply with the use terms outlined in the Microsoft Partner Network programs guide.

The information in this document is intended to help partners understand the product licenses included with competencies. Details are subject to change. The product licenses included with your competency are what's listed in Partner Center at the time you pay the competency fee. Be sure to review that information in Partner Center first.
