

The new Anywhere Office

With the new Anywhere Office, team members can work anywhere a connection is available, naturally inspiring confidence, productivity, and creativity.

Support your teams in the Anywhere Office

Enable your teams to sketch notes and brainstorm together in real time, live edit documents in meetings, and coauthor files with inking and touchscreen technology—all with Microsoft 365 apps.¹

Give teams devices they'll love

Give your employees versatility, powerful performance, and a sleek, lightweight design with Microsoft Surface devices.

Simplify IT with modern device management

Ship and deploy any Surface device straight to employees with Windows Autopilot, zero-touch deployment, and unified management, eliminating time-consuming corporate reimaging.

Keep your data secure all the time

Enjoy built-in enterprise-grade security features that reduce data breaches² and allow users to connect safely.

Learn how Surface Pro and Surface devices enable your Anywhere Office with our new guide.
