

A man and a woman in business attire are sitting at a round wooden table outdoors. The man is wearing a blue suit jacket and glasses, and the woman is wearing a purple patterned top. They are both smiling and looking at a laptop on the table. The background is a lush green garden.

Microsoft Go-To-Market Benefits for Marketplace Partners

Publish your solution or service on Azure Marketplace or AppSource to get started or email GTM@Microsoft.com with questions

Microsoft Go-To-Market Overview

Microsoft assembled a team of marketing experts with one goal: **to accelerate your success in the Microsoft marketplace.**

Marketplace Listing Optimization

Get personalized support for improving your solution listing in Microsoft Azure Marketplace and AppSource and grow your business in partnership with Microsoft.

Marketplace Listing Awareness

Microsoft Go-To-Market Services and most of the activities in this presentation are specially designed to help you increase awareness for your solution listed in the Microsoft marketplace.

Microsoft Marketplace GTM Benefits Overview

Your GTM benefits depend on your marketplace offer status within [Microsoft Azure Marketplace](#) or [AppSource](#). The more you offer in the marketplace, the greater your benefits.

Marketplace Blog with Newsletter and Social Amplification	✓	✓	✓	✓
Marketplace Performance Insights	✓	✓	✓	✓
Social Promotion Spotlight		✓	✓	✓
Press Release Support		✓	✓	✓
Mini Case Study		✓	✓	✓
Azure Sponsored Accounts *		✓		
Marketplace Featured Apps and Category Promotion **		✓	✓	✓
Learning Media Webcast **		✓	✓	✓
Industry Blog Post **		✓	✓	✓
Test Drive Sponsorship **				✓
Microsoft Executive PR Endorsement **				✓

* Requires MPN Silver or Gold Competency

** Requires MPN Gold Competency and/or Co-Sell Ready OCP Catalog Listing

[^] PoC or Implementation only applicable to consulting offers

^{^^} Transact only applicable to Azure Marketplace

All Listings

You qualify for a set of GTM benefits just by listing your solution or service in Azure Marketplace or AppSource. To help you publish your offer in [Microsoft Azure Marketplace](#) or [AppSource](#), you will receive white-glove Azure Active Directory integration and **onboarding support**. Once you've listed your offer in the marketplace, you are rewarded with the opportunity to participate in Microsoft Go-To-Market Services. Get **professional, customized marketing guidance to optimize your marketplace listing**, support with creating a **listing in the Microsoft internal catalog** accessed by the global sales field, and a **feature in a marketplace blog post**, which will be promoted in newsletters and social media.

White-glove AAD Integration and Onboarding: Support with Azure Active Directory integration needed to get your solution optimized for publishing in Azure Marketplace or AppSource

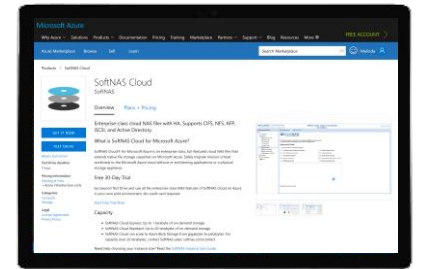

OCP Catalog Listing: Listing showcasing your solution to Microsoft sellers and marketers

Marketplace Listing Optimization: Personalized support for improving your solution listing

Marketplace Blog with Newsletter and Social Amplification: Feature in a marketplace blog post, which is promoted in newsletters and social media

Marketplace Performance Insights: Dashboard showcasing customer activity for your marketplace listing
